

# Palomar Amateur Radio Club

## General Meeting Minutes

### June 1, 2016

Meeting was called to order at 19:00 by President, Charlie Ristorcelli NN3V and was held at the Carlsbad Safety Center, Carlsbad, CA.

Pledge of Allegiance was led by Charlie NN3V.

#### Chairmen & Officer Reports:

Repeater Technical: Mark KF6WTN

- Reported that the new \$3400 donated 6M cavaties have been installed. The old 6M ones will be offered back to original donor. If they choose not to take them, we will donate to hams in Mexico via Mike NA6MB & Gayle K6GO. Also, items from the cleaned-out storage container that we can no longer use will be donated as well.

Repeater Site: Mark KF6WTN

- No report.

Membership: Glen KJ6ZQH

- Reported 251 current paid members. Dues can be paid online (via PayPal) or with the Treasurer at club meetings. Reminder notices can be done by email as long as we have your email address.

#### Announcements:

- Jo KB6NMK reported the next testing is this Sat (June 4) in Escondido. 12 have signed up, and she needs VEs to help. Also may need help with testing at Field Day.
- Eric N6GOF passed an APRS demo around and reminded members they can check more out on remotehams.com.
- 2 brand new radios have been donated to the club and will be used as drawing prizes for Field Day attendance.

#### Goody Table:

John WB6IQS reported that he has items that have been donated by the estate of a silent key. All donations go to the club.

Introductions:

Repeater Tech	KF6WTN	Mark
Repeater Site	KF6WTN	Mark
Scope Editor	W5NYV	Michelle (absent)
Director #2	KK6FRK	Kevin
Director #1	AC7GK	John
Membership	KJ6ZQH	Glen
Treasurer	W0NI	Tom
Secretary	KK6EED	Sandy (absent)
Vice-President	K6JPE	Joe
President	NN3V	Charlie

Visitor Recognition:

AI6QA, KM6CXW, KM6CZK and KM6BMX. Welcome.

Program:

-ARRL Scholarship Committee

Gayle K6GO introduced the idea of our club establishing a scholarship fund. She met with an ARRL rep at Dayton with very positive reception to our interest. She explained the application requirements, the funding and ongoing survival of amateur radio. Currently the committee is preparing an outline and recommendations for its implementation. She will be giving this presentation at the next SANDARC quarterly meeting.

-Field Day

Brian AG6CF gave a full update on this month's planned event. He also listed the schedule for set-up, station & info table operations and take-down, as well as still needed items and times for muscle. SANDARC will not be charging for VE testing.

Meeting adjourned at 21:05.
