

## Palomar Amateur Radio Club General Meeting December 6, 2017

The meeting was called to order by President Joe Peterson K6JPE at 19:30. The meeting was held at the Carlsbad Safety Center. Harry Hodges WA6YOO led the pledge of allegiance.

Several new members and guests were recognized.

A Baofeng VHF/UHF transceiver was given to a new ham.

### Announcements:

Mark KF6WTN reported that all repeaters were working well. No work party was scheduled for the mountain the following weekend.

Glen AI6RR reported that we had 215 members.

### Annual Voting:

Adding the Webmaster to the Board of Directors passed unanimously.

Dennis KD6TUJ and Charlie NN3V made statements about their candidacy and hopes for the following year.

Ballots were passed out for counting.

### Program:

Brian KF6C had a RCA AR88 receiver from the early 1940s that he had restored. These were commonly used in the U.K. for radio intercepts during WW II.

Michelle W5NYB had a Microsat sample (approx. 6" square) and a SDR receiver that covered 100 KHz to 3.2 GHz.

A ticket was drawn for an ARRL door prize. A first time visitor won the prize.
